- To promote the common values of pluralism, tolerance, and respect for each other that form the basis of the world's two largest secular democracies – the United States and India.
- To work towards inter-faith and inter-community understanding in the United States
- To safeguard individual and public institutions from infiltration by divisive and hate-filled ideologies, domestic or foreign.
- To build alliances and relationships with people, groups and institutions who share our basic values
- To provide a responsible voice for the Indian Muslim Diaspora in the United States in their quest for all of the above objectives.

Breif about IAMC

IAMC was established in 2002 soon after 2000 innocent people were massacred in three days while an Indian state government directed its law-and-order agencies to not intervene or stop the violence. These atrocities were committed when Prime Minister Modi was the Chief Minister (Governor) of the State of Gujarat. It is this blatant violation of Human Rights that was invoked by the US State Department to deny diplomatic visa application and revoke his existing visa in 2005.

Our Focus:

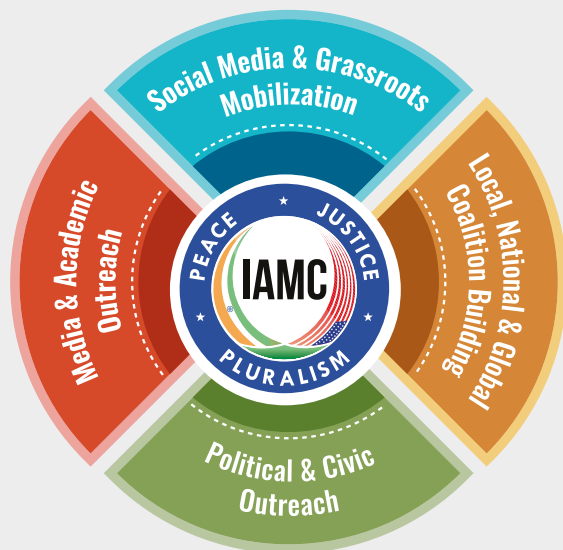

To protect the fundamental rights and civil rights guaranteed by the constitutions of the United States and the Republic of India.

"O you who believe! Stand out firmly for justice, as witnesses to God, even if it be against yourselves, your parents, and your relatives, or whether it is against the rich or the poor ..."

Quran 4:135

"Our lives begin to end the day we become silent about things that matter."

Martin Luther King Jr.
