

February 8th, 2025

Hello,

Greetings to you! Hope this email finds you well.

I am writing to you as I received very grieving news on the night of February 4th as I returned to my hotel room from the IRF summit. As you are aware persecution of Christians in India is at its high. I am writing to you now to seek your attention and help.

A genocide planned to rape, abuse, Christian women and kill all Christians from 3 villages Bishrampur, Janakpur, Ganeshpur in Chhattisgarh. (Pictures below 1 & 2).

We cannot afford to be reactive; we cannot have a repeat of Manipur 2023 & 2024 heinous crimes against Christians. We need your help to be proactive. We need you to be the Esther and Mordecai to stop the genocide of my people, which is actively being planned by Hindutva extremist groups in Chhattisgarh, India.

There was a call to action on Facebook on February 2nd, 2025, by a man named Aadesh Soni (Picture below), who is calling all *Sanatanis*¹ for a war against Christians, they are planning on **“killing all Christians, play with the honor of their daughter and daughters-in-law, to do obscene acts with them, to forcibly enter Christian homes and not to spare anyone but corrupt them all”**. That they have received support from police, Chhattisgarh administration. Aadesh Soni pictured with both Chief minister and deputy chief minister of Chhattisgarh.

Shankaracharya Shri Avimukteshwaranad said that they need to **“kill all Christians** and none should be spared”, they are recruiting upwards of 50,000 people for their plan to succeed. They are also ensuring police protection for all the extremist Hindus. Leaving the innocent Christians of the 3 above mentioned villages unarmed and helpless.

Extremists are calling this “Gau Aabhar Yatra”. Per their video application is submitted to entire Chhattisgarh government, ministers and concerned officials through at least 100 mediums to complete the 5 actions.

Shankaracharya Shri Avimukteshwaranad himself issued a letter to Chhattisgarh government informing them that in case this “Yatra” fails he himself will join this Gau Nyay Yatra and will strip the daughters-in-law and daughters of all Christian community and parade them naked.

All the above is from Facebook where the plan was promoted, and people were called/ asked to join the journey = Yatra. <https://fb.watch/xpC8vRUo62>

There are several videos on YouTube related to the planning of this genocide, one is below:

https://youtube.com/shorts/CP85_4pkmJs?si=NcOPVz-ukf5omJZE

They plan to execute this evil plan on **March 1st, 2025**

Gau Pranam to all of you 🙏🙏 I want to inform all the Sanatanis that those who are associated with saving the cow are left with the last option of war. now there is no turning back, we have come to know through reliable sources that the villagers of village Bishrampur are trying their best to save themselves. Christians want to finish all our faith, so on 1st March we will play with the honor of their daughters-in-law and daughters, we will do obscene acts with them in public square.

You people have to forcibly enter everyone's house, do not spare their daughters-in-law and corrupt them all. If anyone is a coward please leave this group. I have got the support of the administration, this is enough for me. Wherever you see Christian people, enter their houses and kill everyone. No one should be able to escape. These Christians have slaughtered cow which we hold as our mother. Now in the same way we will slaughter their mothers and children.

Cow protection is our holy duty. The most revered Jagadguru Shankaracharya Shri Avimukteshwaranand Ji Maharaj has said that we will kill those people and ask for death penalty for ourselves. The cooperation of all of you is necessary. At least 50,000 people will be required, only then our plan will succeed. Anything can happen. We have to take their lives, but we should also have be prepared to give our lives. I will try to ensure that we get protection from the police administration.

Join this group. Note- If the government is able to complete the 5 actions, then this yatra will be taken out in the form of Gau Aabhar Yatra.

Application/complaint letter has been sent to the entire Chhattisgarh government, ministers and concerned officials through at least 100 mediums and the most revered Jagadguru Shankaracharya Shri Avimukteshwaranand Ji Maharaj himself has issued a letter to the Chhattisgarh government informing house do not [REDACTED] is not completed, he himself can join this Gau Nyay Yatra and will strip the daughters-in-law and daughters of all Christian community and and parade them naked all around the village.

Background on how the 3 villages became Christians in Chhattisgarh:

- Rev. Oscar Theodor Lohr born in Laehn, Silesia (Germany) on March 28, 1824. He was instrumental in founding the German Evangelical Missionary Society in 1867. He became its first Protestant missionary (with his family) and came to Chhattisgarh, central India, thus becoming the pioneer Christian missionary in Chhattisgarh. His mission

became known as Central India Mission. His mission program included Christian religious, educational, literary, and medical services.

- Lohr's arrived in Raipur on May 31st, 1868.
- 1-2 Sanatani's were baptized after much labor between 1868-1873.
- On February 15th, 1873, Rev. Lohr laid the foundation of the first church in Chhattisgarh.
- By year 1883 the number of Christian believers at Bistrampur increased to 175
- In the next 7 years numbers reached a total of 258.
- By 1884, in addition to Bistrampur, there were three more mission stations – Raipur, Baitalpur, and Parsabhader. The number of Christians had reached 1125 (all stations combined). There were eleven schools, 31 teachers, and 12 catechists.
- **Read Rev. Oscar Theodor Lohr's life below:**
<https://usicrm.org/advocacy-in-action/f/rev-oscar-t-lohr---%E2%80%9Capostle-to-the-satanamis%E2%80%9D>
- During times of famine and various issues related to untouchable (Scheduled Caste, SC people) there established a bone crushing factory, the SC people, collected bones from the lands, forest and sold to bone crushing factory/plant so they can survive, Hindu's consider cows to be sacred, targeted the factory and eventually the plant closed.
- Chhattisgarh agricultural cattle preservation act of 2004 prohibits the slaughter of agricultural cattle – cows, calves, bulls, bullocks, male and female buffaloes.
- When the right-wing extremist govt came into power in 2014 harassment towards Christians started and there are several cases reported of violence, arrests from these villages.
- Christians are forced to convert back to Hinduism, Police provides no support to the Christians and in turn supports the extremists.

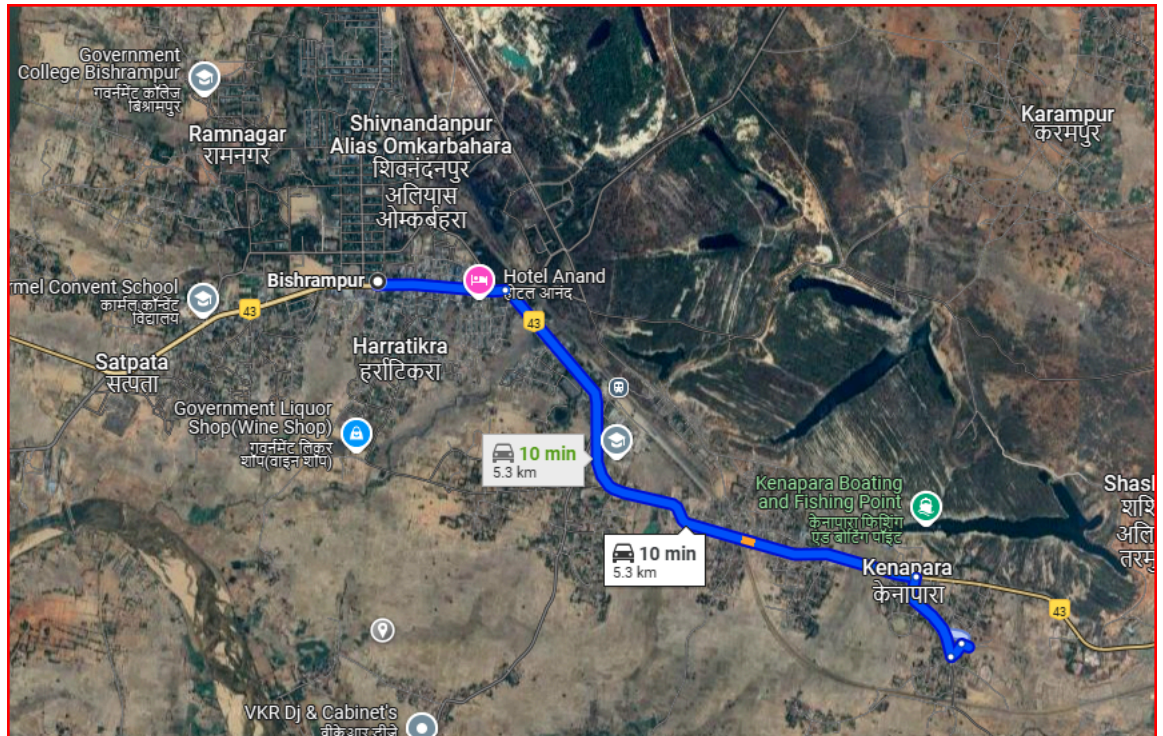

1 Sanatanis: The term became popular in the 19th century as a way for Hindu orthodoxies to push back against Hindu reformers and missionaries.

Call to Action:

We are calling on US Government, US State Department, Honorable Secretary of State Marco Rubio, Members of Congress, USCIRF, United Nations, Government of India, all Government officials, staffers and leaders of various organizations, who can help Christians in Chhattisgarh.
